Remarks

Captivating Country Club Classic! You will fall in love with this gracious home the moment you step inside. High ceilings, five-piece moldings, keystone archways, herringbone hardwoods, the craftsmanship is amazing! The handsome library lined with built-ins, banquet sized dining room with sparkling crystal chandelier and fireplace, large light filled family room with fireplace and grand living room are all perfect for the holidays and entertaining! Sunlight streams in through the oversized windows in the all-white and stainless eat in kitchen. Enjoy dining on the deck overlooking the backyard and detached two car garage. The grand staircase leads to the master suite with dressing room and master bath. Three additional bedrooms and two full baths round out the second floor. The third floor has a home office or fifth bedroom possibility, exercise room and laundry. The lower level with direct entry to the two-car garage, mudroom, full bathroom, and recreation room is a walk out to a stone patio.
